Old Business

Update on progress of 501 (c) 3 – We not gotten started on it yet. We have set a goal of having a draft emailed out to all members in December. We will not be having a December meeting because of the holidays, so we will email out an update and a draft of the 501 (c) 3.

New Business

Sidney Job Service Open House/Business After Hours – It is the 75th Anniversary of Sidney Job Service. We would like to celebrate by combining an open house with Business after Hours on November 20th. We are planning to invite our local elected officials, state Dept of Labor officials and the Chamber will do a mass invitation as well. Cheryl and Sharon offered to help out.

Possible Coordination with Glendive JSEC for a Fall Seminar –

MaryAnn Vester emailed out a suggestion to coordinate with Glendive's plan to bring in speakers. She said they are planning to possibly have speakers from the state speak about safety in the workplace, information security, computer security, etc. Mary Ann will keep us posted on who/what Glendive decides and the cost. It was agreed by all present to have the same speakers in Sidney. MaryAnn thought it might be around the 3rd week in November but she would get back to us about that too.

After a discussion regarding youth and what types of work they can do, it was suggested we might have a babysitting clinic/Youth to Work type seminar in the spring.

Sharon said she will make contacts regarding getting Zadena's name on the checking account.

Cheryl had a suggestion for a future speaker she heard recently named Scott Lillie from *Creative* **LEADERSHIP**GROUP. She thought he was very good and brought us information about him. We will keep the information for future reference.

**Next Meeting: Sidney Job Service Open House/Business After Hours!
November 20th**
